

The Arc Emporium and Mayor Viens Celebrate Birthdays!

November 20th is a special day for The Arc of Quinebaug Valley's store at 160 Main St. This year we celebrated our 1 year anniversary open in Putnam. Mayor of Putnam Bob Viens also celebrates his birthday on that day. Mayor Viens was on hand in 2008 for our grand opening and again this year to offer his support to our agency and share in a special celebration. Our Executive Director Susan Desrosiers shared cake cutting privileges with the Mayor and everyone in the store throughout the day enjoyed a piece of cake. We are most grateful to Mayor Bob for his encouragement and support. We have created a unique and wonderful shopping experience at The Arc Emporium thanks to the warm welcome received by the Putnam community.
