

Holiday Dazzle Light Parade

The Town of Putnam, CT held its 10th Annual Holiday Dazzle Light Parade on Sunday, November 29, 2009. Over 120 festively lit floats were entered in the parade much to the delight of thousands of spectators lining the streets of town. The Arc of Quinebaug Valley was represented again this year thanks to the generosity of Board member Jeff Rawson who donated the use of a pay-loader truck which he also donates for The Arc's Rubber Duckie Race each year. Thanks also to Susan Desrosiers, Michael and Linda Lamoureux, Jeff Rawson, Jessica Dizazzo, Dawn Lazaroff, Garry Brown and Mike, Kristi and Quinn Lamoureux for their creativity and help in decorating the truck. Thanks also to Peter Newth for volunteering to drive in the parade. It was great fun and good advertising for The Arc!
